Dear Mr. Gandhi,

In order for me to have some testing done with Kevin, I'll need you to sign the attached form. The school psychologist cannot test without it.

I'm having Kevin tested simply to see what his capabilities are and how well he has achieved thus far.

I've had our reading specialist test him already & she finds him quite capable in that end in that he was able to read and understand way beyond his present level.

If you wish any other information, please don't hesitate to call me at 623-1688.

Thank you,  
Martin F. Berklan
